This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

B 458.82

Harvard College Library

FROM THE FUND OF

CHARLES MINOT

(Class of 1828).

Received 31 Dec., 1892.

FOR READERS AND BUYERS OF BOOKS.

THE BEST READING. A Classified Bibliography for Easy Reference. With Hints on the Selection of Books; on the Formation of Libraries, Public and Private; on Courses of Reading, etc.; a Guide for the Librarian, Bookbuyer, and Bookseller. The Classified Lists, arranged under about 500 subject-headings, include all the most desirable books now to be obtained, either in Great Britain or the United States, with the prices annexed. New edition, corrected, enlarged, and continued to August 1876. By F. B. PERKINS. 12mo, cloth $1 50

Second Series—Comprising the publications for the five years ending December, 1881. Edited by LYNDS E. JONES. 12mo, cloth. $1 00

Third Series.—Comprising the publications for the five years ending December, 1886. Edited by LYNDS E. JONES. 12mo, cloth. $1 00

Fourth Series.—Comprising the publications for the five years ending December, 1891. (In preparation.) 12mo, cloth . $1 00

"The best work of the kind we have seen."—*College Courant.*

"We know of no manual that can take its place as a guide to the selection of a library."—*N. Y. Independent.*

"Comprehensive, well arranged, and eminently serviceable:"—*Boston Congregationalist.*

"The best thing of the kind in existence, and a manual that one who has much to do with current publications and new books will not know how to dispense with."—*N. Y. Independent.*

"It is impossible to praise it too earnestly to the selector of a library, to public libraries, or to the book-buyer."—*Boston Globe.*

HINTS FOR HOME READING. A series of papers by EDWARD EVERETT HALE, F. B. PERKINS, H. W. BEECHER, CHAS. DUDLEY WARNER, JOSEPH COOK, LYMAN ABBOTT, M. J. SWEETSER, CYRUS HAMLIN, H. W. MABIE, and others. Edited by LYMAN ABBOTT. Together with a new edition of "Suggestions for Libraries," with first, second, and third lists of 500, 500, and 1,000 volumes, recommended as the most important and desirable; forming volume xviii. in PUTNAM'S Handy-Book Series. 16mo, cloth, $1.00; boards 75

"We warmly commend this book for the guidance not only of book-buyers, but of readers. It will be found valuable for both."—*Boston Transcript.*

THE READER'S GUIDE IN ECONOMIC AND POLITICAL SCIENCE. Being a Classified Bibliography, American, English, French, and German, with descriptive Notes, Author, Title, and Subject Index, Courses of Reading, College Courses, etc. Edited by R. R. BOWKER and GEORGE ILES. 16mo, paper, 50 cts.; cloth $1 00

"The little volume photographs in a most interesting way every existing means of education in American citizenship; it will serve to advance that education by giving it trustworthy guidance."—*Detroit Tribune.*
